### WELCOME NEW MEMBERS

Please join Sen. Armbrister and me in welcoming these new members to the Capitol Group. With special thanks to Sen. J. E. "Buster" Brown for his assistance.

"It doesn't take long years of serving in the Texas legislature to realize regardless of party that the relationships, friendships and appreciation for all of Texas, will last a lifetime.

There are many cities and communities that we only got to know through our interactions with each other. Welcome to the Capitol Group."
